RE: Invitation to visit Navajo Chapters in Northern Arizona

Dear Ms. Jackson and Mr. Blumenfeld,

My name is Dwight Witherspoon, and I am an elected member of the 22<sup>nd</sup> Navajo Nation Council. The 22<sup>nd</sup> Navajo Nation Council is made up of 24 council delegates who represent 110 chapters of the Navajo Nation.

I invite you and your staff to visit the chapters and the region of the Navajo Nation that I represent in Northern Arizona called: Hard Rock, Forest Lake, Pinon, Black Mesa, and Whippoorwill. These chapters are located in rural areas of the Navajo Nation. The reason for the invitation is to create an opportunity for leadership like yours to visit our Navajo communities and meet the people. Thank you for your consideration and I look forward to your response.

Sincerely,

Dwight Witherspoon
